The Boardman River offers both an opportunity for beginners as well as challenging curves and bends for more experienced paddlers. Girls will have the choice of paddling single or double kayaks and can switch around during the day. We will launch at Forks State Forest Campground off Brown Bridge Rd. The trip is about 3.5 hrs with a stop for lunch. We will end at Sheeks' Place State Forest Campground to be greeted by everything we need for a successful overnight campout — delivered earlier. Fun, games and campfire follow.
